I don't have the spreadsheet Jeff refers to...anyone else? I'm sure Greg has it but that doesn't help us much if he's in Patagonia.

Subject: Pavillion Data

Good Morning Ayn,

I just spoke with Deb McKean and she said that there is a spreadsheet out there somewhere that has all five phases of Pavillion data that has also been through the QA/QC process. She suggested that we get that Excel spreadsheet and post it to the internet. Do you have that spreadsheet or know where I can get it? That way we have something to post that should make Jim Martin, Martin Hestmark and the Pavillion residents happy. They wouldn't understand or have access to Scribe anyway. We can still put the data into Scribe, that is not a problem. The availability of the spreadsheet would satisfy the immediate need and could be done quickly.

Please let me know your thoughts.
